

**Visual Art Instruction
for Development of
Creativity and
Imagination**

*The purpose to bring art
education to the
children in California.*

*Who can imagine a world
without visual arts?*

*Throughout recorded
history, the arts have been
an essential part of the
human experience. They
reveal dimensions of
cultural heritage
accessible in no other way.*

*In every culture the arts
reflect the finest
achievement of the
human spirit and are a
means by which culture
is defined and
measured.*

The Stardust Arts

Bringing An Art Education To Youth

The Stardust Arts reaches out to all art levels with observational, prospective and expressive art for the youth of today with opportunities to

- Explore visual art and teaching children that problems can have more than one solution
- Bring excitement and awareness to the learning process and importance of visual art in the schools today
- Provide the development of visual and special organization

Art is an experience and education like no other. Without education in visual art you do not have a rounded education.

Provide a student the opportunity to take an art class with your donation today.

Reaching out to all levels

The Wonder Is In The Creation!

The Stardust Arts & Dr. Wilderness Show, Inc.

Cheryl Ehlers, Founder and Artist of The Stardust Arts, beginning in September of 2009, she taught over 1790 students in 11 elementary schools in Oceanside, Ca., and shared her artistic talents with the Carlsbad Boys and Girls Club, along with the cities of Oceanside, Carlsbad and Del Mar at community events for the youth.

Cheryl is an accredited and published artist who is active in North San Diego County, CA. She participates in galleries, and public exhibits and is a member of several art educational organizations promoting art for children.

Cheryl Ehlers proudly presents her new co-partner, **Khevin Barnes, Dr. Wilderness Show, Inc.**, who is an Emmy Award winner for children's shows and, a present Disney Lecturer, motivational speaker who combines magic, laughter and education on caring for planet Earth, and each other to all ages.

Present in two states, California and Oregon, Khevin had reached well over one million youngsters with his message of conservation by partnering with the Water Districts and city schools, sharing the message of just how valuable our resources are to all of us.

Visit Khevin and explore the magic!
